

# HOW TO CROCHET A Foundation Chain

1. INSERT HOOK THROUGH SLIP KNOT AND YARN OVER (YO).

2. PULL YARN OVER THROUGH THE LOOP. THIS MAKES 1 LOOP (LP). REPEAT AS MANY TIMES AS PATTERN CALLS FOR.

3. WHEN YOU HAVE MADE ALL YOUR CHAINS AND ARE READY TO TURN YOUR WORK, ALWAYS REMEMBER TO INSERT YOUR HOOK INTO THE CORRECT CHAIN (CH) FOR WHATEVER STITCH YOU WILL BE CROCHETING.
